

What do you want to be remembered for? <BIG PAUSE>

Regardless of your title, how can you lead in a way
that helps you bring your best every day
and positively impact those you serve? **<PAUSE>**

The same proven strategies and tactics Manley will share with you today enabled him to develop **multiple teams** that achieved award winning results at the revolutionary retail concept, Build-A-Bear Workshop. **He helped grow the business from 40 stores to over 400 worldwide, revenue growth from 55 million to over 474 million, and a successful IPO on the NYSE.**

Manley's leadership influence contributed to a workplace culture that landed Build-A-Bear on the FORTUNE 100 Best Companies to Work For® List four years in a row.

His latest book, “*Reaching Your Next Summit*” is available today. >>> Please HOLD UP BOOK <<<

Manley leverages more than 20 years of professional speaking and business leadership experience to *work with organizations like yours*; helping you develop *more engaged teams that step up with more focus, more commitment, and more momentum.*

On a personal note, Manley likes to sleep on the side of mountains. Even more shocking is that his wife has been putting up with that for 24 years, *and* he has 2 teens that still kiss him on the cheek in front of their friends. 😊 **>>> VIDEO PLAYS <<<**
